Subject: Intimation regarding fire due to short circuit at F-11 plant located at Tarapur.

Reference: NGL Fine-Chem Limited

Scrip Code: 524774

In terms of Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, please take note that due to short circuit there was a fire accident at the Company's plant located at F-11, Tarapur, on 27th June, 2018 at around 11.00 p.m.

We had earlier intimated regarding the expansion of production capacity and commencement of trial production at the said plant through the intimation dated 5th October, 2017.

Fortunately, there has been no loss or injury to human life. The fire was controlled within time. The Company is in the process of ascertaining the actual loss caused by the fire and have already informed the Insurance Company of the same. The Company is taking adequate steps to ensure refunctoning at the earliest.

This is for your information and record.

Thanking you,
